

OFFICE OF INSTRUCTION

Parents, Guardians, and Community Members,

The Mat-Su Borough School District reviews core curriculum in a six-year cycle. This year, we reviewed middle school math materials and a committee selected enVision Math and Ready Math as the top two choices. We would like your input in the final selection process. Please review the programs and take the survey by clicking the appropriate links below. You may also review the programs in person and provide input by attending a Materials Open House at the MSBSD Administration Building on January 15 or 16 from 10 am to 6pm. The survey will close Wednesday, January 22 at 4:00 p.m.

Ready Math
