

**MSBSD Community Members:**

The Mat-Su Borough School District reviews the core curriculum in a six-year cycle. Also, the elementary English Language Arts materials presently used are being discontinued. Three committees reviewed K-5 English Language Arts materials and selected the top two choices listed below. Both options have a mix of digital and hard-copy materials and offer a variety of instructional materials to provide school districts with a choice of the best instructional resources for their students. We would like your input in the final selection process. Please review the programs, and take the survey by clicking the appropriate links below.

The materials are currently on display at the District Office and may be viewed in person Monday through Friday from 8:00AM - 2:00PM until Friday, September 30, 2022. We are also offering extended curriculum open house hours for the following days: Saturday, September 17 from 8:00AM - 2:00PM; Wednesday, September 28 from 4:00PM - 8:00PM; or contact Jana DePriest at [jana.depriest@matsuk12.us](mailto:jana.depriest@matsuk12.us) for an appointment.
