

FY23 English Language Arts (ELA) Materials Adoption Resources and Scoring Rubrics

English Language Arts Resources

[EdReports](#)

EdReports is an independent nonprofit designed to improve K-12 education. EdReports reviews curriculum and provides comprehensive reports about program alignment and standards.

[What Works Clearinghouse](#)

The What Works Clearinghouse (WWC) reviews the existing research on different programs, products, practices, and policies in education.

- [What does the research say about effective practices in literacy instruction for secondary students?](#)
- [Improving Adolescent Literacy](#)
- [Foundational Skills to Support Reading](#)

[National Council of Teachers of English \(NCTE\)](#)

As the leading professional organization for teachers of English in grades Pre-K–12, the National Council of Teachers of English (NCTE) provides broad national leadership in matters related to English Language Arts education.

[Regional Educational Laboratory Program \(REL\)](#)

The ten Regional Educational Laboratories (RELs) work in partnership with school districts, state departments of education, and other educational stakeholders to use data and research to improve academic outcomes for students.

[LETRS Training](#)

Professional development for Mat-Su teachers that provides deeper knowledge, skills, and practice to understand the methodology of literacy instruction and to address reading difficulties. LETRS teaches the skills needed to master the fundamentals of reading, instruction-phonological awareness, phonics, fluency, vocabulary, comprehension, writing and language.
