<u>QUESTIONS:</u>	
1. Whether companies from Outside USA can apply for this (like, from India or Canada)? Any company is welcome to submit a proposal as long as they have a Service Provider Identification Number (SPIN) from USAC, and can comply with the licensing, insurance, and other requirements outlined in the Instructions to Bidders.	
2. Whether we need to come over there for meetings? The MSBSD expects the service provider to be reasonably available to address any issues of service that may arise.	
3. Can we perform the tasks (related to RFP) outside USA (like, from India or Canada)? Any company is welcome to submit a proposal as long as they can adequately perform the services required by the Instructions to Bidders.	
4. Can we submit the proposals via email? Section 1 of the Instructions to Bidders ("General Informaion") states "The MSBSD will not accept proposals by facsimile machine or via e-mail."	
<i>All other terms and conditions remain the same and unchanged.</i>
