BID #B17-19**

ADDENDUM #1

Information in this addendum takes precedence over original information. All other provisions of the document remain unchanged.

Note to Bidders: Bidders are required to acknowledge all addenda on Appendix 1.

The following additions, corrections and changes are hereby made to the above-referenced Invitation to Bid.

CLARIFICATIONS:

1. Any bidders proposing "or equal" products must include product information sheets with their bid response so the products can be fully evaluated as to their conformance with MSBSD requirements.
2. Please note that Bid Item number 117 (MSBSD ID number 250045), has been added to the bid items. Subsequent Bid Item numbers have been renumbered accordingly.
3. Additional information has been added to the description for Bid Item number 102 (MSBSD number 250019) and Bid Item number 103 (MSBSD number 250020).

QUESTIONS AND ANSWERS:

1. Q: A few of the bid item quantities were left blank. It would help if you can give me an estimated usage so I can request better prices from the manufacturer.

A: Please see the attached revised bid form for added and updated quantities. Attachment C: Revised Bid Form replaces the bid form included in the original bid documents. The Revised Bid Form must be included in your bid response. Any estimated quantities that are still blank do not have estimates available.
2. Q: Is there a bid recap of the previous bid that I can get?

A: The bid tabulation sheets for the previous Custodial Supplies bid, Bid #B13-04 are included with this addendum.
3. Q: Is the current Bid #B17-19 in Excel?

A: A PDF copy of the bid form is available upon request from msdpurchasing@matsuk12.us.

4. Q: For the HE laundry soap you have it listed as a "Tub", ours are packaged in a box, will that work?

A: This is acceptable.

5. Q: On page 7, line 6.2 you are requesting we sign the bid form. However, there is not an actual place for this other than the line that says "Vendor". Do we sign there? Or do we need to sign every page of the pricing document?

A: Please see the attached Revised Bid Form. A signature line has been provided at the bottom.

6. Q: Is there a way if we get notice from our vendor of a price increase to submit that to MSBSD with a letter stating the price increase?

A: Please refer to the bid documents, page 20; Attachment B: Special Conditions for Supply Bids, Section 7, Price Escalation/De-Escalation.
