

Teacher Preparation - PLEASE READ

Before your students can use *Imagine It Online*, you'll need to set up their accounts through your teacher account:

1. Log into your account at <http://www.sraimagineit.com/>.
 - **Need an account?** If you've never had an *Imagine It Online* teacher account, ask your *Imagine It* coordinator for a registration card. (If you see a message indicating that your email address is "already in use," see *Password Help?* below.)
 - **Forgot your username?** Try your school email address, such as yourname@yourdistrict.edu or yourname@yourdistrict.k12.st.us.
 - **Forgot your password?** Click the **Password Help** link to have it emailed to you.
2. Click the **CLASS BUILDER** link to open the **Class Management** tool.
3. Click the **STUDENT PASSWORDS** link to open the **Student Passwords** management page.

4. Click **Print Entire Class Login Cards** to make login cards for all students in your class.

Only send home the Login Cards and the following pages.

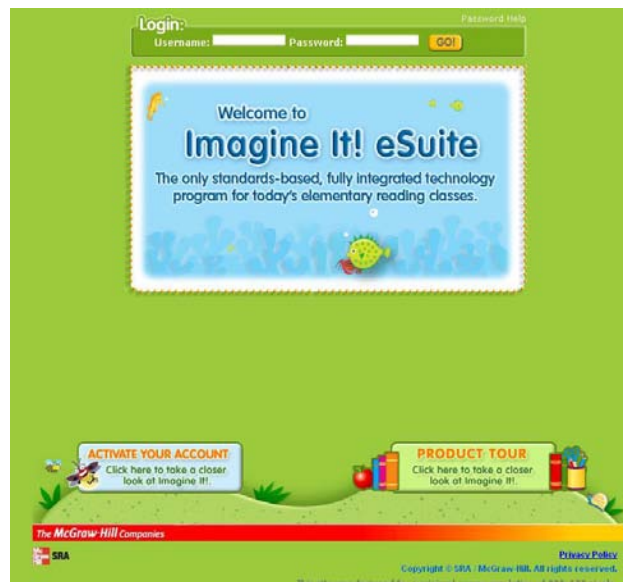

Dear Parent,

As you are aware, our district has adopted *SRA Imagine It* as the core Reading curriculum for our school. A full suite of online practice activities is available to assist your child's learning experience.

These programs can be utilized on any computer that has internet access. This letter will explain the procedure for accessing them. If you have any questions about the programs, feel free to contact your child's teacher.

Accessing Imagine It Online at Home

- 1) In a web browser such as Microsoft's Internet Explorer or Apple's Safari, go to the *Imagine It Online* home page at <http://www.sraimagineit.com/>.
 - If this is your first visit, please refer to the **Technology Requirements** page following this letter. Review the requirements to make sure your computer is ready to run *Imagine It Online*. NOTE: You must allow pop-ups from sraimagineit.com to use the site.

3. In the **Username** box, fill in your child's user name exactly as shown on the student login card sent home by your child's teacher. _____
4. In the **Password** box, fill in your child's three-character password exactly as shown on the student login card sent home by your child's teacher. _____

5. Click **GO**.
6. The *Imagine It* practice activities that your child has access to will appear on the next screen. Select your child's current Unit and Lesson then click to launch the activity suggested by your child's teacher.
