

Information for Migrant Swim Lessons

2019-20 School Year

Migrant families can sign their student(s) up for **one (1) session of swimming lessons per child** this school year. Please keep in mind that we have approximately 1700 students in the district that are eligible for migrant services. Therefore, you may choose the month and the facility that is convenient for your family. We will be utilizing two pools and the process for signing up for each facility is given below:

Matanuska-Susitna Borough Pool – WASILLA pool only

Registration for lessons with the MSB pools, starts with creating an account for your family. Follow the link to matsugov.us/swimlessons

Once you have created an account, you add swimmers to your account and complete a registration for each child.

Contact the pool to confirm that your child is on the **Mat-Su Borough School District Swim List** once an invoice is received. The pool will apply this as credit for payment.

The next registration dates are September 25th and October 30th, starting at 10am.

Wasilla Pool's contact number: 861-7686

Alaska Club:

The Alaska Club will take registration from Migrant students **starting on the 15th of the month** for lessons in the following month. Please note that registrations start on the 15th and continue until there are no more spots available for the next month.

Example: registration is available starting September 15th for lessons in October. Once lessons for October are full, families will have to wait until October 15th to sign up for November lessons.

Alaska Club's contact number: 864-7102 and 376-3300.
