

Tanaina Elementary School

2020-2021

All textbooks and educational materials are provided by the School District. We do, however, appreciate your assistance in providing general school supplies. Please note that some of these items will be pooled for general use. Please explain this to your child before she/he enters school. Check with your child throughout the year for any items which may require periodic replenishing. Thank You

PLEASE NOTE: For items that are not specified with a requested amount, Tanaina will be providing those items to the classroom on the first day of school.
