Terms of Agreement

In this agreement, "you" and "your" means the parent/guardian and the student enrolled in Matanuska Susitna Borough School District (MSBSD).

Terms:	You are being issued an MSBSD "hotspot" device, as an educational resource to support student learning. As part of the Children's Internet Protection Act (CIPA) all school districts are required to provide content filtering services while on school property or connected to school networks. This device is monitored and filtered, to prevent access to inappropriate content. If any attempt is made to bypass this filtering, it may result in disciplinary action or loss of device use. (Please note: Internet monitoring at home will be the responsibility of the parent/guardian.)
Title:	Legal title to the equipment belongs to the district and shall at all times remain with the district. Your right to possess and use the equipment is limited to and conditioned upon your full compliance with this Agreement. Your possession of the equipment terminates on the collection date set by the school unless terminated earlier by the district or upon withdrawal from the district.
Lost, Stolen, or Damaged Equipment:	You must report any lost, stolen, or damaged equipment to the school immediately. For stolen equipment, you must also file a police report. If the equipment is lost or damaged, either intentionally or due to negligence, the student may be subject to discipline and you may be responsible for the cost of repair or replacement.
Sanctions for Violations	Any activity that violates MSBSD Responsible Use Policy (http://www.matsuk12.us/rup), should be reported to a school administrator. Disciplinary action, if any, for the students and other users shall be consistent with the district's standard policies and procedures. Violations of the policy can constitute cause for revocation of access privileges, suspension of access to MSBSD's electronic resources, other school disciplinary action, and/or other appropriate legal or criminal action including restitution, if appropriate.
