I would like to express gratitude for the creation of Mat-Valley Community Charities Agency's website. Since its inception we have been getting several comments from people in the community. I would like to extend a special thank you to Chaney. As a result of her work, our corporation is more visible on the internet and, she has enabled Mat-Valley Community Charities Agency to keep up with the trend most businesses are following.

Chaney's work is an example of the positive progress you have made with our youth. Thank you for your collaboration on this project and, the outstanding efforts of preparing our students for the 21st century workforce.

Sincerely,

John Rozzi
