- ◆ 11/11 - No school for students. Veterans Day. Teacher workday.
- ◆ 11/19 - 1pm ER for students.
- ◆ 11/25 & 26 No School Thanksgiving Holiday

Principal's Corner

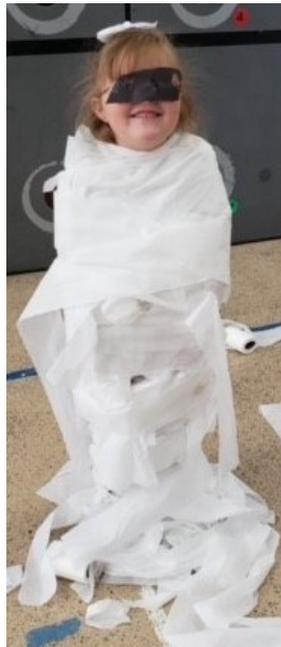

Hello AMC Families. I have been honored and amazed to be Stepping Into the Future with AMC!! Tuesday, October 19th I had the privilege of attending the Borough Assembly meeting where AMC was granted property for a new school. Our new home site is at the corner of Church and Seldon! I will soon have more information about next steps and a time frame for the completion of our new building. One other exciting project we're getting off of the ground is forming a new AMC parent group that will operate as a non-profit. If you are interested in participating, please let me or Jessica in the front office know of your interest. The non-profit will operate separately from the school and will plan different family events and fund raising activities.

Reading Buddies in Mrs. Kerkove & Mrs. Davis's class presented their Monster Stories.

On the academic front, AMC staff members have looked at student data from our fall screeners and are supporting all students through specialized processes like goal setting, enrichment, intervention classes, and daily homework checklists. With changes in attendance due to the pandemic, our students are still outperforming other schools in our district. We appreciate your patience during the busing cancellations, and we are excited all buses are now running. Though all buses run on Mondays, Monday is routinely the day we have the most absences. Let's be sure to get kids to school on Mondays and increase our Monday attendance. Let's continue to strive for Academic Excellence the American Way!!! Ms. Farren

The Fall Fling was a huge success for those that attended! Thank you so much for donating candy, cupcakes, or helping with games. We would not have been able to make it happen without you! Thanks again! Jonquil Kerkove

Running Club

Running Club participation achieved an all time high this year. We had fifty-two students running. Each Tuesday we met and accomplished a run that varied in length and difficulty. Some of our most popular routes were running from the dirt road and then up and down "the hill."

We finished our season by competing in the Mat-Su Elementary Cross-Country Meet. Our school had impressive results.

Elizabeth Hansen took first place in the girls one mile. Jacob Lite took first place in the boys one mile. Lydia Stapley and Paxtyn Tresham finished in the top ten for the 2 mile. Kian McDonnell came in fifth for the one mile.

Thank you to parent volunteers Mrs. Yliato and Mrs. Stapley; and our teacher volunteers Mrs. Skiff, Mrs. Kotyk, and Mr. Johnson. They volunteer their time to help keep students safe and motivated.

It was a wonderful season. We'll start again when the snow goes away. Mrs. Yerbich
