- b. A student may not be absent from any scheduled classes on the day of an activity.
 - ➔ If there are no scheduled classes on the day of an activity, then the student cannot be absent on the previous day's scheduled classes.

Weekly Eligibility Procedures

- 1) Visit the front office (preferably Monday) to pick up an Eligibility Form.
 - 2) Fill out your Subjects & Grades.
 - 3) Take the form to each of your teachers for Initialing & Comments. If you are not passing a class, find out if there is anything that you can do to improve your grade prior to the end of the day on Thursday.
 - If the teacher has a plan for you that can be accomplished by Monday at 8:00 AM, you may develop a plan with the counselor or principal to complete assignments and submit them in order to retain eligibility for the following week. This will be offered on a case by case basis and should not become common practice.
 - 4) Sign the completed form.
 - 5) Have your parent sign the completed form.
(*Note: A parent signature is not required for student's who have all A's & B's.)
- ➔ If you have a substitute teacher, Mrs. Barron will be able to check your grades and initial the form in place of your teacher.
- ➔ **FORMS ARE DUE ON THURSDAY** each week and will determine eligibility for competition during the following week (Monday-Sunday).
- ➔ If you have an unusual situation and are unsure of what to do, please ask! The eligibility process is in place to help you keep up with your grades and keep everyone better informed of how you are doing on a weekly basis. The idea is to help you **stay eligible**.
