

**Notification to Parents/Guardians of Mat-Su Middle College Handling of Title IX and  
Minor Protection Issues Involving the Mat-Su Middle College**

Student Name

MSBSD Student ID

Please read each item below and initial in the box to the left.

I acknowledge and understand

	the above student will be attending classes in a traditional community college environment;
	the Mat-Su Middle College is an open campus;
	the Mat-Su Middle College operates within the Mat-Su College, which educates students of a wide range of ages, primarily adults;
	while Mat-Su School District teachers and a principal will be present on campus, there is no supervision of students outside of the classroom or after those educators' work days end;
	attendance will be monitored, but traditional absence notification will not be made;
	coursework mutually judged by the Parties to be inappropriate for minors shall not be offered to Mat-Su Middle College students; however, content that is traditionally more adult in content (e.g. R rated movies, discussions of mature content such as sex, sexuality, and violence), may occur in Middle College courses. Students opting out of those elements of the courses may be penalized for that decision.
