

What is a Family-School Compact?

A School-parent Compact for Achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach or exceed grade-level standards.

Effective compacts:

- Link to school goals and focus on student learning skills
- Describe how teachers will help students develop those skills using high-quality instruction
- Share strategies parents can use at home
- Explain how teachers and parents will communicate about student progress
- Describe opportunities for parents to volunteer and participate in the classroom

Jointly Developed

The parents, students and staff of Tanaina Elementary School developed this School-Parent Compact for Achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific and students explained what would help them learn. Feedback can be provided online, to review the Compact and make changes based on student needs.

Parents can contribute comments any time.
