

What is a Family-School Compact?

A Family-School Compact for Achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach or exceed grade-level standards.

Effective compacts:

- Link to school goals and focus on student learning skills
- Describe how teachers will help students develop those skills using high-quality instruction
- Share strategies parents can use at home
- Explain how teachers and parents will communicate about student progress
- Describe opportunities for parents to volunteer and participate in the classroom

Jointly Developed

The parents, students and staff of Redington Jr./Sr. High School developed this Home-School Compact for Achievement.

Parents can contribute comments any time.

Building Partnerships

If you would like to volunteer, participate, and/or observe in the classroom, please contact RJS at 864-5400.

Teachers

To be successful, teachers can:

- Build relationships with students that support them as young adults and inspire a vision of success
- Provide frequent and various forms of communication
- Prepare students for success relationally, emotionally and intellectually
- Make learning meaningful using the latest most meaningful strategies

Students

To be successful, students can:

- Be on time and prepared for class daily
- Complete and return all work on time
- Participate actively in class and class discussions – always doing your best
- Learn to use tools that will make your learning experience rich
- Follow social contracts and school expectations
- Stand up for what is right

Parents

To be successful, parents can:

- Be engaged in your child’s middle school experience
- Check your child’s homework when appropriate
- Discuss school with your child and help to connect learning to life
- Monitor your child’s progress (i-Parent, emails, paperwork, etc.)
- Contact your child’s teacher when you have concerns and work toward solutions
