## How To Get Text To Speech For Online Assessments

Complete the following steps on a student Chromebook to get Text-To-Speech for online Journeys and Go Math assessments. Many steps shown only need to be completed once, will be very fast for students one initial setup is completed.

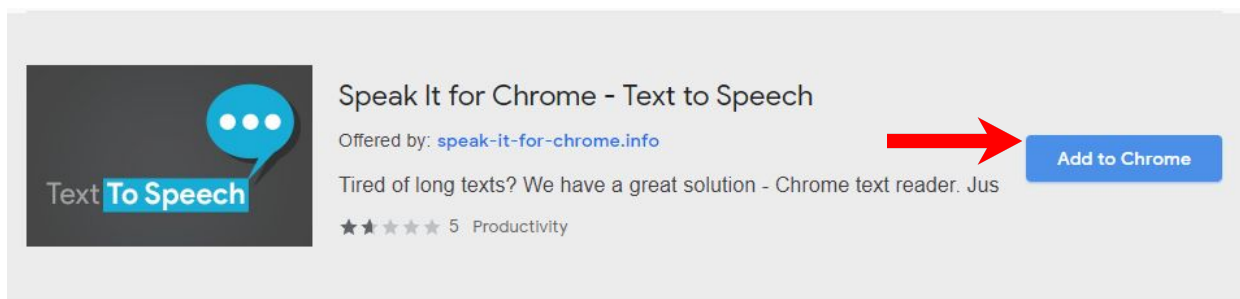

Choose “APPS” lower left then “Web Store”

In the search box on the left side, type in “Speak it for Chrome”

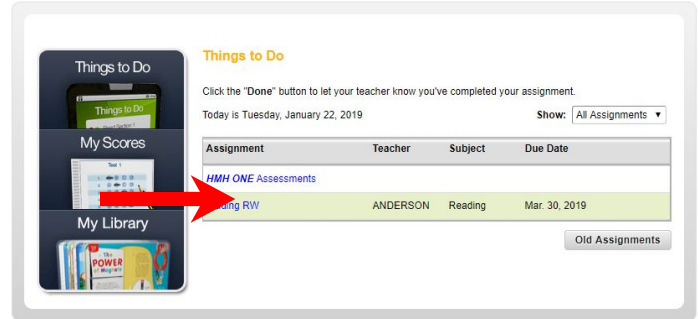

When the box appears, select “Add to Chrome”

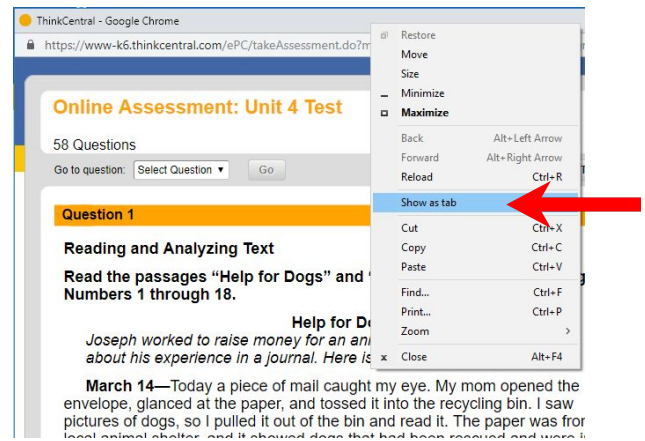

You will only have to complete the above steps one time for each student, now everytime the student logs in it will be in the toolbar.

Have students go to Think Central and open test.

The test will open in a separate window. Right click on the top of the window and select "show as tab".

Highlight text you want to read aloud, right click and select "Speak It"  
 You can change the settings by Left clicking the extension and changing with dropdown menus
