

# NEW PARENT & STUDENT ACCOUNTS COMING THIS JULY!

The Mat-Su Borough School District is launching a new Student Information System (SIS) this Summer! Synergy SIS will be replacing our current SIS (School-Max). A Student Information System is a platform for schools to manage student data. What does this mean for MSBSD families? New accounts called ParentVUE / StudentVUE that will give families easy access to all pertinent information: online registration, grades, attendance, health and more!

 **ParentVUE**
