

NEW TEACHER GRADE BOOK COMING THIS AUGUST!

The Mat-Su Borough School District is launching a new Student Information System (SIS) this Summer! Synergy SIS will be replacing our current SIS (SchoolMax). A Student Information System is a platform for schools to manage student data. What does this mean for MSBSD teachers? A new account called TeacherVue that will give teachers a new, enhanced grade book, parent communication tools and course recommendation options.

TEACHER GRADE BOOK

STARTING
12
AUG

NEXT SCHOOL YEAR 2019-20

- Easily enter assignments and grades
