Mat-Su College Healthcare Career Exploration Academy with ETT Certification

For students entering 9th, 10th, 11th and 12th grade

Dates:  On Campus: May 22-26 and May 30-June 2, 9:00 am – 4:30 pm
         On-line: May 15- June 2

Description: This academy will provide both healthcare career exploration and Emergency Trauma Technician (ETT) certification. From May 22-26, participants will work on campus to explore various health-related careers through networking with professionals in various medical fields, hands-on activities to provide insight into daily responsibilities and touring medical facilities. Academy participants will also complete the 3-week ETT certification program by meeting online beginning May 15 and in the paramedic lab from May 30-June 2, 9:00 am to 4:30 pm. Academy participants who successfully pass the ETT certification will earn 3 college credits. Students must be 14 years of age.

Tuition: $150 by April 1; $175 after April 1
