Mat-Su College Summer Science Camps 2017
Designed for Students entering 6th-8th grade

Under the guidance of experienced scientists and science educators, campers will work in the college science labs to engage in hands-on exploration of topics ranging from human anatomy to forensics.

**Mini-Med School I**
**Dates:** June 5-9, 8:30-noon
**Campers:** Students entering 6th, 7th, and 8th grade
**Description:** In Mini-Med School I, campers will become medical students for a week. They will explore various organ systems such as the skeletal, digestive, and cardiac systems through hands-on animal dissections and engaging activities.
**Tuition:** $60 by April 15; $75 after April 15

**Crime Scene Investigation**
**Dates:** June 12-16, 8:30-noon
**Campers:** Students entering 6th, 7th, and 8th grade
**Description:** Ever wonder how a hair can solve a crime? Using the tools and techniques forensic scientists use to solve crimes, campers will become crime scene investigators.
**Tuition:** $60 by April 15; $75 after April 15

**Healthcare Career Exploration**
**Date:** June 19-23, 8:30-noon
**Campers:** Students entering 6th, 7th, and 8th grade
**Description:** Do you think you want to be a doctor, nurse, physical therapist, occupational therapist, or lab aid? Campers will meet various health care professionals and will perform hands-on activities that provide insight into the daily job responsibilities and educational requirements for various health care professions.
**Tuition:** $60 by April 15; $75 after April 15

**Mini-Med School II**
**Dates:** June 26-30, 8:30-noon
**Campers:** Students entering 6th, 7th, and 8th grade
**Description:** In Mini-Med School II, campers will continue their exploration of the human body. Campers will explore the nervous, urinary, and muscular systems through hands-on dissections and engaging activities. Mini-Med School I is not a prerequisite for this camp.
**Tuition:** $60 by April 15; $75 after April 15

To register, go to: [http://matsu.alaska.edu/summer-camps/](http://matsu.alaska.edu/summer-camps/).

**Middle school students whose parents are current Mat-Su College students may apply for a Mat-Su College Student Government Summer Camp Scholarship for the full tuition amount of one camp.**
