## Mr. Campbell's Classroom Procedures & Rules

**Francisco Campbell**

[francisco.campbell@matsuk12.us](mailto:francisco.campbell@matsuk12.us)

Dear Parents/Guardians,

Hi, my name is Mr. Campbell. I wanted to take this opportunity to introduce myself and let you know that I am pleased and excited to have your child in my class. I am providing the following information so you will know what my expectations are and how your child can be successful in my class. Please take the time to discuss the information here with your child. Although we will be going over this information in class, discussing it at home will be a meaningful way to increase understanding. If you have any questions or concerns, please feel free to contact me. I believe that if we all work together; your child's success is certain!

The purpose of this class is to teach math skills that are needed on the path toward algebra readiness, by providing time to develop the conceptual understandings from which the standards for middle school and algebra extend and play. The major goal of this course is for students to master the integration of critical thinking which includes identifying, analyzing, evaluating, and reasoning.

### **CLASSROOM RULES**

The classroom rules are designed to ensure that no student's behavior interferes with the learning of others:

1. Come to class every day of the school that you are not sick.

2. Arrive on time with the correct materials for class.
3. Keep hands, feet, and objects to yourself.
4. Follow directions the first time they are given.
5. Stay on task during work time.

### **ATTENTION SIGNAL:**

To get the class attention, I will raise my hand as I count down to 0, each student will also raise their hand to alert every student to settle down and be quiet. By the time I get to zero all eyes should be tracking the teacher, and the class should be quiet and awaiting further instructions.

### **HALL PASSES (Limited)**

1. Students may request a pass out of class **10 minutes after class has started**.
2. Passes will be given during student activity time only.
3. Students must carry with them the Hall Pass icon when going out.
4. Students **must sign out and back into** class.
5. No pass will be granted **10 minutes before the end of class** (except in prearranged circumstances)
6. Absolutely no hall passes when there is a substitute teacher. (except in prearranged circumstances)

### **ELECTRONIC DEVICES**

Students are **not allowed** to bring their cellular phones into my classroom. I recommend turning it off and leave it in your lockers (or if they must have it in the classroom it must be turned off). Students who do not choose to follow the classroom expectations will take their phone to the office and you the parent will need to collect it from there.

# PARENT/STUDENT CLASSROOM PROCEDURES & SYLLABUS SIGNATURE PAGE
