Jo Ann Hinds, Assistant Principal
Karen Bloxson, Assistant Principal

Phone (907) 352-7500

Fax (907) 352-7585

Teeland Middle School has put a high priority on students doing quality work and meeting deadlines. We recognize the importance of student-athletes that strive for success in the classroom. This academic check is an effort to reinforce these standards, as well as keep you informed of natural consequences your student will experience if grades drop below the academic standard of a 2.0 GPA.

If your student has a GPA below the academic standard, and improvements are not made prior to the next extra-curricular event, the student-athlete may be held out of competition until the grade(s) have improved.

Please login to I-parent and fill out the appropriate grades for each class and the student athlete must return to his/her head coach. Academic dishonesty will result in further disciplinary actions:

Student Name: _____ Sport: _____

CLASS

GRADE

Math _____

Science _____

Language Arts _____

Social Studies _____

Elective: _____

Elective: _____

Elective: _____

Student Signature

Parent Signature

Dedicating at least one hour each day to school work will allow most students who are struggling academically to successfully complete their daily work and maintain passing grades in their present classes.

Please return to your coaches by Tuesday, February 12, 2019.

Athletes must realize it is an honor and a privilege to represent Teeland Middle School.
