

WMS Student Computer Use Agreement

From the School Student Handbook

Vocabulary

Malicious: intending or intended to do harm

Deface: to change or spoil the appearance, usefulness or value

Peripheral: A device such as a printer, keyboard, monitor, etc.

Misuse of school computers is defined as “any malicious attempt to physically deface, disable, or destroy computers, peripherals, or other network hardware, to harm or destroy data of another user or any other agencies or networks that are connected to their system, to gain access or attempt to gain access to unauthorized systems, or to access inappropriate materials from school.” Misuse will result in a referral to the Student Responsibility Classroom (SRC) and may result in the loss of all computer use privileges for the remainder of the quarter, semester, or year depending upon the incident.

Some specific examples of misuse are:

- *Disabling or vandalizing any part of the school’s computers or network
 - *Moving keys on a keyboard*
 - *Changing settings on a monitor or computer*
 - *Unplugging network, power or other cables**
- *Rough-housing or other actions that endanger computer equipment.*
- *Changing another student’s work by invading their work space and equipment.*
- *Knowingly accessing pornography or other inappropriate material*

- *Downloading unauthorized programs or files onto any of the school’s computer hard drives*
- *Entering a computer system without authorization (hacking) including accessing unauthorized file servers*

By signing below I understand that violation of the above standards will result in an SRC referral and consideration for disciplinary action.
