

Scholarships

[Financial Aid Guide from FinAid.org](#)

Mat-Su College is committed to recruiting and retaining motivated, diverse, and veteran students. Scholarship opportunities are one of the ways we aim to keep our students working towards a degree. Scholarships come from several sources, including university scholarships, individual college or departmental awards, and many private organizations offer scholarship opportunities, based on special interest, Alaska Residence, and affiliation with a Native Alaskan tribe.

Mat-Su College Scholarships

Mat-Su College offers several scholarships and awards ranging from \$500 to \$2000.

All of the following scholarships require completion of the [UAOnline](#) Scholarship Application. Some scholarships require additional qualifications.

Please note that some of these scholarships prefer, but do not necessarily require, additional information. We encourage you still to submit this information, even if you do not meet all the preferred qualifications.

- [Alvin S. and Gloria M. Okeson Endowed Scholarship](#)
