Good Evening MSMCS Families,

The semester is a wrap! The MSMCS staff & students are all looking forward to a needed winter break. There is an abundance of information to share as we are wrapping up one semester and starting the next. High school core classes will be held three days a week with a meeting time on Friday. High school electives and seminars will meet two days a week.

Book checkout: Book checkout will be January 4th, 5th & 6th from 9:00-2:00 daily. Please plan now for your book checkout as staff will be holding new student orientation the 7th and will be unable to extend book checkout times beyond those listed.

School Start: High school classes will start with an online assignment Tuesday, January 5th while college classes, seminars and in person high school classes will start Monday, January 10th. StudentVUE schedules will be finalized January 3rd, so please plan to check that day so you are aware of any high school classes starting that week. Students are advised to check their UAOnline account to verify their college schedules.

Seniors We will be having a senior class meeting Wednesday, January 19th from 12:00 -12:50 pm at the Glenn Massay Theater. We will meet to share yearbook, senior slideshow & scholarship information.

PE & Health: Students who have yet to complete PE and Health graduation requirements who would like to take either course during the spring semester are asked to please email Ms. Piatt to request to be added to the class. Health will be offered online through APEX with Mr. Giauque and a remote option is available for PE.

Recruitment: We are starting our recruitment for next fall. We will hold family informational nights at the Glenn Massay Theater January 13th & 19th and at Mat-Su Central School February 9th at 6:30pm.

Username: matsumc

Password: 4Student

Seniors: Order your cap, gown, stole and tassel no later than **12/31/21!**

Herffjones.com search for Mat-Su Middle College → caps & gowns → shop grad products and scroll to continue shopping. This will take you to the Cap & Gown Unit package.

On behalf of the staff at MSMCS, we wish everyone Happy Holidays,

Greg Giauque
