# FUTURE CLASS OF 2027

## How to drive through and have your student walk:

**Step 1:** Enter the school grounds closest to the fire station.

**Step 2:** Drive ahead and enter the pick up loop (there will be a line of cars)

**Step 3:** At the stopping point your student will get out and walk across the Bridge. They will have their photo taken on the bridge and at the bottom of the ramp. Parents and siblings can not get out of their cars. (photos will be sent to you)

**Step 4:** The students will get their goodie bags and get back in the car and drive ahead. TAKE a RIGHT at the stop sign and exit the school property or park in designated parking spots and wave to classmates.

**Step 5:** OPTIONAL. There will be parking spots spaced out around the school drive. You can park your car and wave to classmates as they drive by.

**IMPORTANT:** If you plan on parking and waving, you can not leave your car. You may sit on your car or be in the back of a pick up truck, but you can not walk around. **ALSO**, when your class time is done, you have to move out of the parking spots for the next class to be able to park. We are lucky to have enough room to space 30 cars out, but not 60 - 90 cars.
