

What is a Family-School Compact?

A Family-School Compact for Achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all students reach or exceed grade-level expectations.

Effective compacts:

- Link to school goals and focus on student-learning skills.
- Describe how teachers will help students develop those skills using high-quality instruction.
- Share strategies parents can use at home.
- Explain how teachers and parents will communicate about student progress.
- Describe opportunities for parents to volunteer and participate in the classroom.

Jointly Developed:

The parents, students, and staff of Meadow Lakes Elementary School developed this School-Parent Compact for Achievement. Teachers suggested home learning strategies. Parents added ideas to make them more specific. Students explained what would help them learn. Meetings take place each year to review the Compact and make changes based on student need. Parents can participate and contribute at any time.
