Larson Families,

In an effort to alleviate confusion and avoid additional stress, I will no longer be sending out mass communications regarding Covid positive cases at Larson. However, I will be sending information directly to families who are involved in the Covid incident.

If you would like to know if Larson has a positive case reported, it will be posted on the District Website under COVID-19. The district updates this section of the website daily, generally in the late afternoon. Along with the daily updates, it also has all the information from our current Mitigation Plan.

If you have any questions regarding this new process, please reach out by contacting our Office at (907) 352-2301.

Sincerely,

Beckie Murphy, Principal
Larson Elementary
