

# Glacier View School CTE

Career and Technical Courses offered at Glacier View School

Glacier View School is home to Career and Technical Education (CTE) courses. Courses are offered when availability and demand allow.

## Courses Available

### Culinary

Classes help students prepare for a variety of careers in the culinary, hospitality and food service industries. Courses can prepare students to continue to earn industry certifications, and compete in state and national ProStart competitions. Classes are offered on a 3-4 year rotation, contingent on schedule availability.

### Welding (9-12)

Classes help students prepare for a variety of careers in welding. Students can prepare to participate in State and National Skills USA competitions and earn industry recognized certifications.
