

Butte Elementary School PTA

*Mission: Mat-Su Borough School District prepares students for excellence
Butte Bandits Climbing to Excellence!*

BUTTE PTA NEEDS YOU! “What will I need to do if I join the PTA?” Your options for helping are wide and varied! You may do as little or as much as you’d like. We need parent and teacher involvement to make the PTA work for our children. The Butte PTA membership fee can be paid for with cash or check. As a member you will:

- * Be on PTA email list to be kept informed of activities
- * Vote at meetings on many things like how funds are spent
- * Be a member of the State/National PTA
- * Help out at fundraisers!
- * Receive 10% off your Butte apparel purchases for the entire year.
- * Be an important part of what goes on at your child’s school. Let your voice be heard!

*Please note – attending meetings is not the most important part of being a PTA member! You may be a member and not ever come to a meeting. Please join so we may contact you via email when we need help.

To join the Butte Elementary PTA fill out the information at the bottom of this flyer. You can send your \$10 along with your registration information with your child to school.
