

Alaska Arts Standards for Music

A. CREATE

Imagine and develop artistic ideas and work

Anchor Standard #1: Generate and conceptualize artistic ideas and work

Enduring Understanding

The creative ideas, concepts and feelings that influence musicians' work emerge from a variety of sources.

Essential Question

How do musicians generate creative ideas?

Anchor Standard #2: Organize and develop artistic ideas and work

Enduring Understanding

Musicians' creative choices are influenced by their experience, skill, context, culture, background, environment and expressive intent.

Essential Question

How do musicians make creative decisions?

Anchor Standard #3: Refine and complete artistic work

Enduring Understanding

Musicians evaluate and refine their work through new ideas, persistence, and the application of appropriate criteria.

Essential Question

How do musicians improve the quality of their creative work?

B. PRESENT

Interpret and share artistic work

Anchor Standard #4: Select, analyze, and interpret artistic works, including those from diverse cultural traditions, for performance, presentation, and/or production

Enduring Understanding

Performers' interest in and knowledge of musical works, understanding of their own technical skills, expressive intent and the context for a performance (e.g. audience, space) influence their selection of repertoire.

Essential Questions

How do performers select their musical repertoire? How do performers interpret musical works?

Anchor Standard #5: Develop and refine artistic work for performance, presentation, and/or production

Enduring Understanding

Performers make interpretive decisions over time, based on their understanding of context, expressive intent, and individual technical skills.

Essential Question

How do musicians improve the quality of their performance?

Anchor Standard #6: Perform, present, and/or produce artistic work

Enduring Understanding

The context of time, place, and culture in which a work is presented influences audience response.

Essential Question

How do context and the manner in which musical work is presented influence audience response?

C. RESPOND

Understand and evaluate how the arts convey meaning

Anchor Standard #7: Recognize and analyze artistic works, including those from diverse cultural traditions

Enduring Understanding	Essential Question
Response to music is informed by analyzing context (social, cultural, historical) and how musicians apply the elements of music.	How does understanding the structure and context of music inform a response?

Anchor Standard #8: Interpret intent and meaning in artistic work

Enduring Understanding	Essential Question
Musicians provide clues to their expressive intent through the use of elements and structures of music.	How do we detect musical creators' and performers' expressive intent?

Anchor Standard #9: Apply criteria to evaluate artistic work

Enduring Understanding	Essential Question
The personal evaluation of musical works and performances is informed by analysis, interpretation and established criteria.	How do we evaluate the quality of musical works and performances?

D. CONNECT

Relate artistic ideas and work with personal meaning and external contexts

Anchor Standard #10: Relate, synthesize, and express both knowledge and personal experiences as a way to participate in the arts

Enduring Understanding	Essential Question
Musicians connect interests, experiences, ideas, and knowledge to create, perform and respond.	How do musicians make meaningful connections in order to create, perform and respond?

Anchor Standard #11: Relate artistic ideas and works with societal, cultural and historical contexts to deepen understanding

Enduring Understanding	Essential Question
