

The World Around Me

JUNIOR INTERVIEW

Employment: What is your career choice and back-up plan?

Education/training: Where are you going to enroll for training for the career field?

Independent Living: Where will you be living after graduation? During training? After you are employed in your career?

Student Transition Strengths, Preferences and Interests:

What skills do you have that will help you in your career field?

Have you participated in any clubs, classes, activities, etc that would help prepare you for this field?

Community Experiences:

What clubs/sports etc have you participated in both at RSK and in the community?

How do you get to and from school? How do you plan on getting to and from school/training and workplace after graduation?

What point are you at in regard to driving independently? (Do you have your permit? Have you taken driver's ed? Do you have your license, if not, when do you plan on getting one? If you have your license, do you have a vehicle to drive on a daily basis?)

Do you have a checking/savings account? Where is the closest banking location to you for your bank?

Employment:

Please tell me about your work experience, include volunteering.

What are your strengths that you bring to an employer?

What are things you need to work on to be a better employee?

What questions do you have about employment?

Adult Living Skills:

Who is your primary care Doctor? Provide their address and phone number

Do you know who your insurance carrier is and what the copay is?

Who is your dentist? Provide their address and phone number.

Are you on any medications? What pharmacy do you refill them at? What is the phone number?

When is the tax deadline to file taxes from the previous year?

Do you know your social security number? Do you know where your SS card and Birth Certificate are at?

Daily Living Skills:

What role do you play in keeping your clothes clean and ready for school? (sorting/doing your own laundry/ironing/putting them away, etc)

If there is something that you want to purchase, how do you go about getting it now? (do you have an allowance, can you earn money for chores, ask parents, etc)

If no one has prepared a meal, what would you prepare for yourself or your family? Provide an example for breakfast, lunch and dinner.

What chores do you do around the house to help your family out?

WHAT QUESTIONS DO YOU HAVE FOR US???

What can we do to help you more?

What supports are helping you learn?

What colleges, training sites, etc would you like to have more information on?

Have you taken the ASVAB?
