

# American Charter Chats

## Upcoming Events

- ◆ 10/01 - No school for students
- ◆ 10/15 - 1pm ER for students. End of Q-1
- ◆ 10/20 - Picture retakes
- ◆ 10/25 - 27 Red Ribbon Week
- ◆ 10/27 & 28 - No school. Parent Conferences

After reading George Orwell's *Animal Farm*, students in Mr. Johnson's 8th grade L.A. class created propaganda posters that could have been used within the novel to illustrate the criticisms of communism and totalitarian dictatorships.

## Principal's Corner

There has been a lot happening at AMC starting with our Open House in August and Picture Day last week. Our school year is in full swing!! I want to personally thank each family for continuing to work with us as we have faced transportation, parent pick up, and COVID mitigation issues. Even with the inconveniences due to COVID, students are learning each day and teachers are well into their teaching plans. I am excited to be onboard as principal working with teachers and getting to know students and parents. Our aim at American Charter is to maintain a safe and rigorous learning environment for all students. We provide engaging, hands-on experiences that enable students to explore the world outside and inside the classroom. For example, our field trip to Hatcher Pass was an incredible opportunity for students to learn about the local natural habitat. Classrooms are also a dynamic place of learning. In secondary, Mrs. Drake's students learned about land forms by creating dioramas, and in primary prep, Mrs. Maynard's class made homemade butter. I am extremely happy to be part of the learning here, and I am happy to be Stepping Into the Future with AMC!! Ms. Farren

### Multi Age - "We Remember 9/11"

Mrs. Yerbich's class honored lives lost on 9/11 and all the brave people that helped and endured.

It's time to wear winter gear: boots, hats, gloves, and coats!! Come to school warm and prepared.....!!!!
