

## CTE Course Description and Standards Crosswalk

Course Information	
Course Name	Cabinet Making and Woodworking 6
Course Number	86260
Number of High School Credits	.5
Sequence or CTEPS (You must first have the Sequence or CTEPS entered into the EED-CTE system.)	Architect, Cabinetry, Carpenter
Date of district Course Revision	October 2014
Career & Technical Student Organization (CTSO)	
CTSO embedded in this sequence	Skills USA
Occupational Standards	
Source of Occupational Standards	National Center for Construction Education and Research (NCCER); Skills USA
Names/Numbers of Occupational Standards	NCCER; SkillsUSA
Registration Information	
Course Description (brief paragraph – as shown in your student handbook or course list)	Cabinet Making and Woodworking 5 is a semester-long class which is a continuation of Cabinetmaking and Woodworking 4. Emphasis is placed on advanced cabinet and furniture styles, drawers and doors, special materials and processes, advanced finishing applications, cooperative building, and career opportunities related to the woods industry. Cabinetmaking and Woods 5 may be repeated as Cabinet Making and Woodworking 6 provided a different project and work team are selected or the project is of such complexity that it will take two semester for completion. Instructor permission is required for this option. Students who are interested in careers in home construction or furniture production would benefit from this class.
Instructional Topic Headings (please separate each heading by a semi-colon)	Personal and Equipment Safety and maintenance in the Lab; Advanced Cabinet and Furniture Styles; Bending, laminating, Veneering, Inlaying, Carving, & Turning; Special Materials and Processes; Careers in Woodworking; Employability Skills; Encourage Involvement in CTSO
