

## CTE Course Description and Standards Crosswalk

### Course Information

Course Name	Construction Trades Part 1 Semester 2
Course Number	86132
Number of High School Credits	1
Sequence or CTEPS (You must first have the Sequence or CTEPS entered into the EED-CTE system.)	Architect, Cabinetry, Carpenter
Date of district Course Revision	February 2015

### Career & Technical Student Organization (CTSO)

CTSO embedded in this sequence	Skills USA
--------------------------------	------------

### Occupational Standards

Source of Occupational Standards	National Center for Construction Education and Research (NCCER); Skills USA
Names/Numbers of Occupational Standards	NCCER; SkillsUSA

### Registration Information

Course Description (brief paragraph – as shown in your student handbook or course list)	Construction Trades—Part 1 introduces the concepts of residential construction by providing hands-on training to students who will learn about safety, han power tools, and materials. Students will build footings, frame walls, and apdply siding, roofing and trim. All of the work is done “in the field” on a job site of a marketable residential home.
-----------------------------------------------------------------------------------------	---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Instructional Topic Headings (please separate each heading by a semi-colon)	Personal Safety and Job-Site Conditions; Hand and Power Tool Safety; Identification, Use and Care of Tools; Construction Materials—Identification and Use; Construction Drawing Reading and Construction Math, Materials handling, Excavation and Site Work; Footings and Foundations; Framing Concepts—Floors, Walls, Roofs; Exterior, interior Finish—Siding, Roofing, Trim; Stairway Construction; Career and Technical Student Organization (CTSO) Involvement
-----------------------------------------------------------------------------	--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

### Summative Assessments and Standards

Technical Skills Assessment (TSA)	NCCER
Course addresses:	Safety, Tools (Power and Hand Held), Communication, Math
New Alaska ELA and Math Standards	Yes
Alaska Cultural Standards	Yes
All Aspects of Industry (AAI)	Yes
Core Technical Standards	Yes
Employability Standards	Yes

### Employability Standards

Source of Employability Standards	State of Alaska
-----------------------------------	-----------------

### Tech Prep

Current Tech Prep Articulation Agreement? (Y/N)	No
Date of Current Agreement	
Postsecondary Institution Name	
Postsecondary Course Name	
Postsecondary Course Number	
# of Postsecondary Credits	

**DISTRICT NAME: Matanuska Susitna Borough School District**

## Additional CTE Course Information

Author	
Course developed by	Ray Jensen, Randy Wolfe, Alan Johnson, Johnathan Halfacre, Gilbert Campbell, Bryan Kirby, Brad Drake
Course adapted from	
Date of previous course revision	February 2006
Course Delivery Model	
Is the course brokered through another institution or agency? (Y/N)	No

## Standards Alignment
