Instructions: Educational Travel is defined as a planned learning experience gained through participation in a travel/study tour. Students whose travel is extended for a semester or more should enroll in the district's Correspondence School for courses that will meet District graduation requirements. Contingent on this prior approval, a student will receive a .5 credit for a three-week study/tour program or 1 credit for a six-week program which will be recorded with a P (Pass) grade, which is not included in calculating GPA. Educational Travel study for credit must be initiated by the student and it is the student's responsibility to meet all of the requirements and complete all associated paperwork. The original form is to be filed in the student's permanent file after approval, one copy is to be filed with the counselor, and one copy is for the student.

Guidelines:

- The Educational Travel Credit Proposal must be fully completed with all necessary signatures before travel is made.
- A time table for completion of the course goals and objectives must be included in the Educational Travel Credit Proposal. All assignments and assessments must be turned into the building principal in keeping with the agreed upon timeline. When appropriate, additional products such as portfolios, performance tapes, or projects may also be submitted.
- Students are expected to document instruction goals and objectives for 90 to 120 hours for a three (3) to six (6) week long program, and 180 to 240 hours for a six (6) week or longer program.
- A maximum of one credit of Educational Travel may be accumulated.
