HOW TO BE A SAFE LYNX ON THE PLAYGROUND
THE LYNX PLAYGROUND PLEDGE

I will stay safe on the playground by:
- Waiting until I get to the field to run and play tag.
- Stopping and freezing when I hear a whistle.
- Asking an adult if I can go inside.
- Waiting my turn to use equipment.
- Being a Lynx with P.R.I.D.E during recess.
BEING SAFE MEANS BEING A GOOD LISTENER

• When the whistle is blown students will use a level 0 voice. REMEMBER: Level O means zero noise.

• Monitors will use 3 different whistles sounds:
  • 1 whistle means students should stop and freeze
  • 2 whistles means students should line-up
  • 3 whistles means students should stop, go down on one knee, and freeze.
HOW DOES A LYNX WITH P.R.I.D.E SHOW RESPONSIBILITY?

• Asking an adult permission before re-entering the building.
• Keeping hands and feet to yourself. No shoving, pushing, kicking, wrestling, spitting, or fighting, which includes play fighting.
• Leaving gravel, rocks, sticks, and snow on the ground. Snowballs can be thrown against the snowball target board.
• Leaving toys and electronic devices at home or in backpack.
• Staying out of the woods.
• No weapons or pretend weapons, including using hands to imitate weapons.
• Leaving all food and drinks inside and off of the playground.
• Reporting issues to monitors/teacher on duty.
SWING SET SAFETY

- Swing straight facing forward and stay seated while on the swing.
- Please don’t jump off.
- Stay at least 2 steps away from the swings while waiting your turn.
- Please don’t climb or swing off of the swing set poles.
- Yellow swing is off limits.
GLIDER SAFETY

• Please don’t skip people waiting to play on the glider.
• Please don’t pull people off of the glider.
• No hanging upside down.
• You may ride the glider if you’re tall enough. It’s marked.
• Please use two hands at all times.
• You must be able to get across by yourself.
• Be safe, no pushing/helping others get across.
SLIDE SAFETY

- Please go down the slide on your bottom.
- Always face forward.
- Please don’t climb up the slide.
- Ouch, no throwing or putting rocks on the slide.
MERRY-GO-ROUND SAFETY

- Only push while standing in place.
- You can only sit on the merry-go-round seats.
- Only 4 kids can ride at a time.
- Play safely and make sure it is stopped when getting on and off.
DEPENDING ON THE SEASON

• Sledding may be done in designated areas only and a monitor must be present.
• Football, soccer, and basketball may be played in designated areas. Remember, no tackling.
• ALWAYS Be SAFE and Have Fun Every Season!!!
