## Goose Bay Spirit Week!

October 12<sup>th</sup> – 16<sup>th</sup>

Spirit Week is fast approaching, and we wanted to get this information out to you. We are going to fill our halls and classrooms with color! This year we are going to brighten up Goose Bay during Spirit Week by dressing in all the colors of the rainbow. Please see the color schedule for the week below:

Monday – **Blue**

Tuesday – **Yellow**

Wednesday – **Red**

Thursday – **Orange** or **Purple**

Friday – **Goose Bay Gear** or **Picture Day Wear!**

## Parent/Teacher Conferences

The schedule for this year's fall conference days will be as follows:

Monday, November 2<sup>nd</sup> 8:45-4:15 (by Zoom/phone appt.)

Tuesday, November 3<sup>rd</sup> 8:45-4:15 (by Zoom/phone appt.)

Be sure to look for the conference letter that will be sent home in your child's HOWL folder and return the appointment slip as soon as possible. 😊

Below are tips to get the most out of your students' conference:

- Ask questions. A written list will help you remember what you want to know. You might ask whether your child participates in class or how well he/she gets along with classmates.
- Be positive. You could tell your child's teacher about a classroom activity or lesson that your child particularly enjoyed. Sharing good news helps create a strong working relationship.
- Check back. If, for instance, your child needs extra help with some math facts or struggles with taking turns, see what you can do at home. Then, find out how and when to follow up on his progress.

## From The Kitchen...

Good news! The USDA's Food and Nutrition Service (FNS) has extended nationwide waivers for the Summer Food Service Programs (SFSP) through the end of December 2020, or until available funding runs out. This means meals can be served at no cost to all students enrolled at schools, remote or in-person, in the MSBSD! Remote families, please call Ms. Bobbi at 352-6428 to learn when and where curbside service is at Goose Bay.

Families, please keep in mind, this program is temporary and is approved through December 2020 or when funds run out. In the meantime, Nutrition Services is still accepting and processing applications so that when we transition back to the regular lunch program in January, students who qualify will continue to receive free meals without a lapse in benefits. Please apply and submit your free/reduced meal application as soon as possible by clicking [HERE](#).
