MARCH 16TH-19TH

STUDENTS RETURN TO SCHOOL TUESDAY MARCH 16TH

Welcome back families and staff!

Students are returning to school on Tuesday, March 16th. Last year this time, we were not so lucky. MSBSD does have guidelines in place for students that traveled during Spring Break.

Please see:

<https://docs.google.com/document/d/1Eruqc2EGMG20KTJLwme-xYqBAJeDBGmwy-kPODW5gQ/edit?usp=sharing> or go to <https://www.matsuk12.us/Page/44958> and click on MSBSD Student Return after travel.

Device Pick Up for in-school students (that traveled during break) and at-home learners:

Please pick up your device(s) during the morning or afternoon of March 16th. At-home learners: we are sending home PEAKs practice tests for you. Parents, this packet will be included when you pick up their devices. Our PEAKs testing is April 6th-9th; we will have more information on times as the testing window gets closer. Just be aware to not complete the practice test until the end of March to better prepare your student for the format of the assessment.

Science Fair Extravaganza!

What does Oil on Fire, Mold, and Reverse Spherification have in common? The Scientific Process, that's what! Guided by our science guru, Mrs. Victoria Limbocker, students in our building have dove deep into the world of the scientific research process. The grand finale was on March 3rd when students entered their science experiments into MNC's annual Science Fair. Congrats to all students and special congratulations to Dalton Nardini on his "Oil on Fire" Grand Champion title. See the photos below for more information on this fun learning event.

Report Cards: 3rd Quarter Report Cards will be sent out to parents on March 18th.

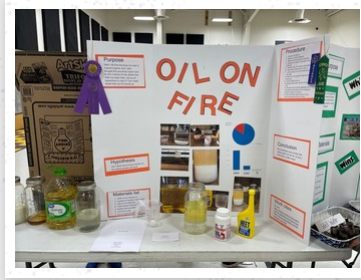

APC Meeting:

Thursday, March 25th at 6pm; stay tuned for the Zoom and whether we can hold an in-person meeting for the board.

March 24th Early Release (please pick up your student by 2:30 pm)

Future Dates of Importance:

April 5th - 9th PEAKs Testing for both in-school and at-home learners

GRAND CHAMPION!
