### Palmer High School Gear/School Equipment Check out/return

Each coach is responsible for ensuring that all school issues uniforms and equipment purchased with school district funds are accounted for at the end of the season. All gear must be accounted for within two weeks of the completion of the season and is part of your end of the year check out process. Head coaches are responsible for ensuring that this is completed for all levels.

Please complete this form and return to A.D. within two weeks of the completion of your season.
