

When accessing your students Clever and/or Google Drive make sure that you (or your student) know the correct log-in information. The login information looks like this:

Username: ab123456

Password: Kindergarten-2nd Grade: alaska (no capitals)

3rd Grade- 5th Grade: individual passwords, refer to teacher if necessary.

The website you will need to first go to is the MSBSD School website:

On the right hand side you will see icons. One will be labeled STUDENTS (see above image). Click on STUDENTS to access Student Quicklinks.

In Student Quick Links you will see many Applications students have access to. The Two in Red (Clever and Google MSBSD) will be the ones teachers refer to the most. Applications in Blue can also be found in Clever and Applications in Orange are activities your student or teacher may also suggest for supplemental learning.

The screenshot shows a dashboard with a blue header containing navigation links: Home, About Us, School Board, Departments, Programs, and Athletics & Activities. On the right side of the header are links for 'MSBSD HOME' and 'MY ACCOUNT'. The main content area is a grid of application icons. A vertical sidebar on the right contains icons for user profile, calendar, group, and phone. Three text boxes provide context: a black box on the left notes that Clever and Google MSBSD are in red, and other blue links are also in Clever; a black box at the bottom left notes that Google MSBSD is in red; and two white boxes on the right explain that blue links are also in Clever and orange links do not require Clever access.

Read on further for instructions on “How to Access Clever” and “How to Access Google”.

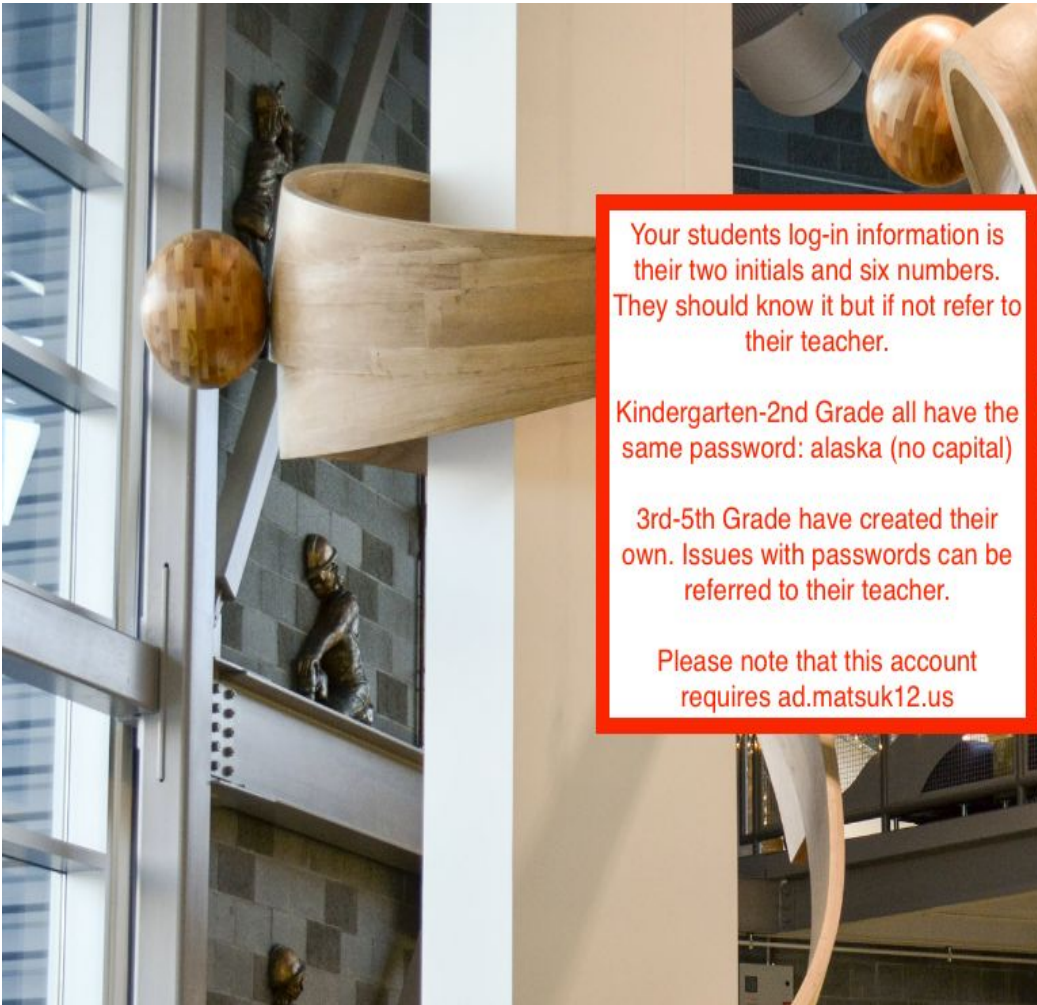

How to Get onto Clever:

In the Student Quick links click on the Clever Icon.

You will be directed to the icon below. Click on “Log in with Active Directory”.

You will then be directed to another page in which your students login information will be needed.

Your students log-in information is their two initials and six numbers. They should know it but if not refer to their teacher.

Kindergarten-2nd Grade all have the same password: alaska (no capital)

3rd-5th Grade have created their own. Issues with passwords can be referred to their teacher.

Please note that this account requires ad.matsuk12.us

[Can't access your account?](#)

© 2016 Microsoft

Note that the username is the students first two initials, six digit number, and the address is **@ad.matsuk12.us** Their password is either alaska if in Kindergarten-2nd Grade or an individual password if in 3rd-5th Grade.

Your Student is now in Clever. They have access to many of the classroom suggested applications, along with their Google Drive and other Google Applications. Some Teachers have created their own page that you will then explore for further instruction.

3rd-5th Grade will refer to Google Docs and Google Classroom

You are now in Clever. Note that many of the same applications can be found in Student Quick Links but here they are grouped together and the log-in is necessary only once.

Students can access any of these applications. Many of which will be referred to by your students teacher.

How to Get onto Google:

Going back to Student Quick Links: You will then click on the icon labeled Google MSBSD.

The screenshot shows a dashboard with a blue header containing navigation tabs: Home, About Us, School Board, Departments, Programs, and Athletics & Activities. On the right side of the header are links for 'MSBSD HOME' and 'MY ACCOUNT'. The main content area is a grid of educational resources, each with an icon and a text label. Several resources are highlighted with colored boxes: blue boxes around Khan Academy, Lexia Core5, Moby Math, and Nitro Type; orange boxes around Spelling City, Starfall, TeachYourMonsterToRead, and Typing.com; and a red box around Clever. Two callout boxes on the left provide instructions: one points to Clever with the text 'Most of your students needs can be found here in Clever.' and another points to Google MSBSD with the text 'Students access to Google Drive'. Two callout boxes on the right provide additional information: one in blue text states 'Links in Blue are also found in Clever and will need the same log in information.' and one in orange text states 'Links in Orange do not require Clever access information.'

You are now in your students Google Account. Here they can access their Google Drive, Google Classroom, etc...

The image shows a Google Account dashboard. At the top left is the 'Google Account' logo and a search bar. On the left is a navigation menu with items: Home, Personal info, Data & personalization, Security, People & sharing, and Payments & subscriptions. In the center is a large green circle with a white 'H'. Below it is a blue-bordered box containing red text: 'Click on the Waffle Icon to view a drop down box. In this box you can access your students Google Drive, Google Classroom, Google Docs etc...' and 'These can also be found on Clever'. To the right, a waffle icon (a 3x3 grid) is highlighted with a red box. A blue arrow points from this icon to a dropdown menu. The dropdown menu contains icons for: Account, Drive, Classroom, Docs, Sheets, Slides, Calendar, Meet, Contacts, YouTube, Maps, and News. Below the waffle menu are two main content cards: 'Transfer your content' with a 'Start transfer' button, and 'Privacy & personalization' with a 'Manage your data & pe...' button.

Click on the Waffle Icon to view a drop down box. In this box you can access your students Google Drive, Google Classroom, Google Docs etc...

These can also be found on Clever
